go to [www.lsdga.com/dncct](http://www.lsdga.com/dncct)**

The Dallas New Course Charity Tour is a series of PDGA Charity Endowment Program events to be held on future courses in Dallas. Dallas Area Disc Golf is a 501c3 charitable organization working to promote the growth of disc golf in the greater Dallas area and is the charity for the series. The courses are in parks that have been or are in the final stages of being approved for Disc Golf Course installation. The funds raised at these events will be used to install these courses over the next few years.
